

1/2" Thru 1" Aluminum Couplings

Aluminum couplings are used join and extend aluminum rigid conduits.

East Electrical's aluminum couplings are manufactured from a high-strength aluminum alloy. Aluminum couplings are available in normal trade sizes from 1/2" to 6".

Features

- Consistent Quality - We manufacture our couplings to be long lasting, durable, and suitable for the harshest environmental conditions.
- Lightweight and Corrosion Resistant - High-strength aluminum alloy allows for a lightweight and corrosion resistant product.

1/2" Thru 1" Aluminum Couplings

Part No.	Size	Inner Case	Master Case
012ARN150	1/2" X 1 1/2"	25	600
012ARN200	1/2" X 2"	25	600
012ARN250	1/2" X 2 1/2"	25	400
012ARN300	1/2" x 3	25	400
012ARN350	1/2" X 3 1/2"	25	300
012ARN400	1/2" X 4"	25	300
012ARN500	1/2" x 5"	25	200
012ARN600	1/2" x 6"	25	200
012CAGR	1/2" x CLOSE	25	600
034ARN150	3/4" X 1 1/2"	25	400
034ARN200	3/4" X 2"	25	300
034ARN250	3/4" X 2 1/2"	25	300
034ARN300	3/4" X 3"	25	200
034ARN350	3/4" X 3 1/2"	25	200
034ARN400	3/4" X 4"	25	150
034ARN500	3/4" X 5"	25	100
034ARN600	3/4" X 6"	25	100
034CARN	3/4" X CLOSE	25	400
100ARN200	1" X 2"	25	200
