

Steel Locknuts

East Electric rigid locknuts securely affixes Rigid conduit to an electrical box or other metal enclosure. Rigid locknuts help ensure a secure and safe connection; fabricated from corrosion resistant steel with zinc plated finish. Serrated teeth help prevent loosening of the connection due to vibrations. Multiple trade sizes up to 4" available.

Features

- Locknuts provide a seal when fastening threaded conduit to an unthreaded opening in a box or enclosure

Standard Materials

- Zinc-plated steel

Steel Locknuts

Part No.	Size	Inner Case	Master Case
LN-50S	1/2"	100	2000
LN-75S	3/4"	100	1000
